# Calculate your exclusive advantages:

## Money-back tariffs

### Bonus programme “G-win Flex” up to €300 ■

You have the choice: Get a bonus for your health-conscious behaviour (max €150) or double the amount and get reimbursed for expenses that are included in our cashback catalog.

### Excess tariff “Option S” up to €350 ■

If you choose “Option S” with the selectable tariff, you may receive a bonus of up to 350 euros if you have not claimed certain benefits from your health insurance provider over the course of a year.

## Vaccinations far beyond the standard offer

Bosch BKK offers high allowances for all vaccinations recommended by doctors – including those going beyond the recommendations of the Standing Committee on Vaccination (STIKO). This also applies to private **trips abroad**. For example:

**Hepatitis A+B** around €270 ■

**Typhus** around €60 ■

**HPV vaccination** around €510 ■

HPV vaccination (human papillomaviruses) is a vaccination that offers protection from cancer, e.g. cervical or throat cancer.
